

CITY OF WOONSOCKET  
DEPARTMENT OF PUBLIC WORKS  
SOLID WASTE DIVISION

**WINTER TIME TRASH/RECYCLING CART PLACEMENT**

To assist us in assisting you:

**-Please** shovel an area in front of your house in order to place the trash and recycling carts in a manner that the collection trucks may be able to successfully empty the waste.

**-Please** place the carts 3' apart from one another.

**-Please** place the carts 3' away from telephone poles and fire hydrants.

**-Please** do not place the carts under overhead wires.

**-Please** keep the covers to the carts closed to prevent snow from filling the carts. The snow adds to the weight of the waste therefore adding to the disposal cost.
